### ***Advisory Action***

The amendment filed on July 19, 2010 under 37 CFR 1.116 in reply to the final rejection has been considered but is not deemed to place the application in condition for allowance and will not be entered because: the proposed amendment raises new issues, such as *first wetting the fabric with a liquid before applying a powder*, which were not addressed in the Final Office Action mailed on May 18, 2010 as being an **optional limitation** of claim 8.

### ***Response to Arguments***

Applicant's arguments with respect to claims 1, 3-6 and 8-17 have been considered but are moot because they are directed to non-entered limitation.

### ***Conclusion***
